Rules of Order and Procedure (Yoli)

- Elected members get to vote.
- There must be two more parents voting than school staff.

Current School LAND Trust (Shannon)

- Funding allocation: \$54,876
- Goal: Our 6th graders will score within 5% of the district average on the Science RISE end of level assessment for the 2021-2022 school year. This will be done by teaching the SEED standards and implementing place-based learning practices and meaningful field experiences. These funds will pay for a 6th grade team member to support the implementation of the crosscutting concepts and reinforce science, math, language arts and social studies integration.
- Spending: Funds will be used to pay for part of a teacher salary.
- Date Approved by the SSC: April 14, 2021

Goals for the year (Shannon)

Literacy (Reading)

K-6 Reading: 80% of our students will reach their individual growth goal on their Acadience composite or Reading Inventory assessment by the end of the year benchmark.

Numeracy (Math)

Our schoolwide math proficiency percentage will increase by 12% as measured by the end of level assessment in math compared to the 2021 school year.

Achievement Gap – (Students with Disabilities)

Our 1-6 grade students with disabilities will make typical growth on their reading accuracy on the Acadience assessment from beginning of year to end of year.

Culture

Our goal is to have 3-4 Place Based Learning experiences per year in each grade.
