<p>Minutes:</p> <p>5:36-5:39- introductions                  5:39-5:45 -90 day plan follow up, internet safety                  5:45-5:47 - Backman Chant, we focus on being college ready and college bound                  5:47- 6:14 -Kindergarten promotion- moving away from caps and gowns and towards showcasing what the students have done during the year.                  6<sup>th</sup> grade showcase- Also moving away from “graduation” and towards honoring the hard work of the students by showing integrated projects and power point presentations.</p> <p>Kinder’s lasts about an hour.</p> <p>6<sup>th</sup> lasts about 2 hours</p> <p>Should kinder and 6<sup>th</sup> be on the same day?</p> <p>Are there any qualms about removing the cap and gown aspect?                  Last year 6<sup>th</sup> grade parents could purchase Lifetouch cap and gown pictures with their student’s high school graduation date on it.</p> <p>Parent input:                  -Love the idea of showing what the students have done during the year and saving the cap and gown picture for 12<sup>th</sup> grade. Puts less pressure on parents, they just have to show up and see the student’s achievements. Would not mind kinder and 6<sup>th</sup> being on different days.                  -Would be better for kinder and 6<sup>th</sup> to be on the same day.                  -Parents would prefer a picture with a cap and gown, mostly from kinder parents. Didn’t necessarily need a cap and gown performance though.</p>
